Stella Artois is a classic Belgian lager, golden in color with exceptional clarity and a spicy hop character. This beer brings together two of our favorite ingredients; hops and rye - serious hops up front provide a pungent, floral, and citrus character. We use centennial, Columbus, and Cascades in this hop lovers dream. The rye provides a slightly spicy flavor and a full mouth-feel. Divided Sky pours straw in color with notes of tangerine, grapefruit, and pine. Drink fresh!

### CIVIL LIFE BROWN ALE.....6.75

Malty, caramelly, tart and toasty, earthy and citrusy, with delicious hints of bitter chocolate and dark roasted coffee. Y'know that story about the hypocrite who tattled to President Abraham Lincoln about General Grant's drinking? Ol' Abe answered, "Well, find out what he's drinking so I can send a barrel to every general in the army." We're pretty sure Grant was drinking The Civil Life American Brown.

### BLUE MOON.....6.25

Coors Brewing Company

BELGIAN-STYLE WITBIER, ABV 5.4%

It started with their brewmaster, Keith Villa, wanting to craft a beer inspired by the flavorful Belgian Wits he enjoyed while studying brewing in Belgium. He brewed his interpretation using Valencia orange peel versus the traditional tart Curaçao orange peel, for a subtle sweetness. Then he added oats and wheat to create a smooth, creamy finish that's inviting to the palate.
